# 100 Jahre Bauhaus

The 100th anniversary of the Bauhaus will take place in 2019.

The Bauhaus developed the idea that one object can be simple, beautiful, functional and accessible to all at the same time, thus bringing art into everyday life.

We take the 100th anniversary as well as the idea of the Bauhaus as an opportunity to launch the special edition „100 Jahre Bauhaus“ on the market.

Because the idea of the Bauhaus fits perfectly with our universal knives: simple, functional and accessible to all and with the 4 new handle colours, we bring art into your everyday life.

These 4 exciting colours are unique and available in limited quantities:

- ▲ ORANGE (8365 WSP11 or19)
- MUSICAL OLIVE (8365 WSP11 mo19)
- CALAITA GREEN (8365 WSP11 ga19)
- ▲ DAWN (8365 WSP11 dn19)

The knives are available individually or as a set (9873 kt 19 bh)
